19 Civ. 09439 (PKC)

ECF Case

[PROPOSED] ORDER GRANTING APPLICATION TO FILE UNDER SEAL

The Court, having reviewed the submissions by Non-Party [REDACTED] [REDACTED] (previously identified as “Investor F”), including Investor F’s Motion, Memorandum of Law, and the Declaration of [REDACTED] in support thereof, finds that good cause exists to permit the maintaining under seal portions of the document the Securities and Exchange Commission (“SEC”) previously lodged with the Court as Exhibit B to the Letter of Jorge G. Tenreiro (ECF No. 181) in support of the SEC’s Application for a Preliminary Judgment (ECF No. 98). Investor F seeks a narrowly focused Sealing Order to protect its privacy and to avoid harming its business interests, and these interests outweigh any applicable presumption of public access. *See, e.g., Lugosch v. Pyramid Co. of Onondaga*, 435 F.3d 110, 120 (2d Cir. 2006).

ACCORDINGLY, IT IS HEREBY:

ORDERED, that Investor F’s Motion to Seal its Confidential Document is GRANTED and it is further,

ORDERED that the document that was lodged with the court as Exhibit B to the Letter of Jorge G. Tenreiro (ECF No. 81) shall be maintained under seal, and that a redacted version shall be filed on the public docket consistent with the proposed redactions attached as Exhibit 1 to the Investor F Declaration.

SO ORDERED.

Dated: February __, 2020
New York, New York

HONORABLE P. KEVIN CASTEL
UNITED STATE DISTRICT JUDGE
SOUTHERN DISTRICT OF NEW YORK
